The School

NorthPoint Christian Academy was founded in August of 2021. It is a completely independent school with its own Board of Directors. NCA's leadership team worked for eleven years to launch the school. We are very fortunate to be housed on the campus of Forest Hill-Waxhaw. Our goal is to partner with parents to foster a learning environment that grows students academically, spiritually, socially, and emotionally. NCA is fully registered with the state of NC and adheres to all requirements set forth by the state. We serve our students with an in-person rigorous curriculum, but also make use of online partners to expand learning options. We encourage students that are capable to partake in the dual enrollment option through SPCC. Our student population is 88% White, 6% Black, and 6% Hispanic.

The Mission

NCA is to provide a Christ-Centered environment built on Biblical truth to develop our students academically and spiritually, make a positive impact on our families and staff, and demonstrate strong leadership through service in our community.

The Vision

We will guide students and their families to discover their true purpose by using their God given talents to become strong leaders in our community.
